The Haute Route, the world's most famous ski traverse.

**Marque :** JMEditions

**Référence :** 9782918824091

**Prix :** 24.50€

### **Descriptif :**

The Haute Route, the world's most famous ski traverse.

This unforgettable one-week ski tour accross the glaciers and high passes between Chamonix and Zermatt takes skiers through some of the most prestigious ranges of the Alps.

As well as providing step-by-step descriptions of all the stages, this is the first guidebook to include photo-diagrams foe every section of the Haute Route.

In addition, the introduction contains a wealth of pratical advice (preparation, strategy, equipment, practical information, huts, history) that underlines the alpine nature of traverse.

Detailed descriptions are given for four variants of the Haute Route :

- Classic Haute Route : the usual route, described in seven stages,
- Historic Haute Route : via the famous Plateau du Couloir and the col du sonadon, seven stages,
- Purist's Haute Route : avoiding all motorized transport and passing via the Col du Grand Saint-Bernard, described in eight stages,
- Reverse Haute Route : Zermatt >Chamonix seeking out the best descents, six stages.
